

The SENIORS COALITION

Protecting the Future You Have Earned

July 30, 2013

The Honorable Dr. Tom Price
100 Cannon House Office Building
Washington, DC 20510

Dear Congressman Price:

I am writing to you today on behalf of the over four million members and supporters of The Seniors Coalition in support of your bill H.R. 2009, "The Keep the IRS Off Your Health Care Act." The Seniors Coalition was originally founded as a public advocacy group fighting to repeal the Medicare Catastrophic Coverage Act. Since 1990, TSC has grown rapidly and expanded its advocacy to include any issue that concerns America's senior citizens. Today the Coalition is one of the largest grassroots advocacy organizations in Washington, D.C. in terms of number of supporters nationwide. TSC currently has over four million supporters representing every state in the union.

The Obama Administration, including the IRS, has betrayed the trust of the American people. Allowing the IRS to enforce ObamaCare is opening up the door to more abuse, more targeting and more harassment of American citizens. The vast majority of the American people do not support ObamaCare, and President Obama is ignoring the will of the people.

That is why The Seniors Coalition is writing today to fully support H.R. 2009. Clearly, the IRS has proven itself either unwilling or unable to prudently and impartially enforce the law, and we certainly cannot trust them with our health care.

Thank you for all your hard work Dr. Price, and please don't hesitate to contact me directly if there is anything that The Seniors Coalition and its over four million members and supporters in all 50 states can do to assist you in your effort to de-fund/repeal ObamaCare.

Sincerely,

Sean Ferritor
